Mukul,

Our client sent us the following to communicate to your client. You will see below that we can agree to an extension. That said, we need to check when the court scheduled the initial conference in this matter and will need a response before then so we can comply. Talk with Pulkit about dates and find what works for all parties. Thank you.

The lawsuit will not be dismissed. Your client's ISP identified the service address as 1616 W DALLAS ST APT 468, HOUSTON TX 77019-4712 and your client's billing address as 8918 CROES DR, SPRING VALLEY TX 77055. It is at the service address where the infringement took place and not at the billing address. I suggest you revisit the subject of torrent use with your client, as the case is a strong one against them. Since your answer to the complaint will be due soon, I have no objection to granting you some reasonable extension of time to respond to the complaint, if your client is interested in resolving the matter amicably and discussing settlement. Please confer with your client and get back to me at your earliest convenience.

Mike and Andrew:

We are in receipt of the Malibu Media matter against Jenna Howard, Case No. 4:16-cv-2319. We are requesting an extension to answer to 1/27/17. Pulkit has been very helpful in working with me, but my understanding is the decision to grant an extension comes from you two.

Please advise if you are amenable to giving us until 1/27/17 to answer. That is the last Friday in January. Thank you in advance.
